PACKING NOTES	DOCUMENT STATUS
• Carton dimensions and weights must be re-verified before booking. • Brand, factory identity and exact warehouse address are intentionally omitted. • Final packing list must match the commercial invoice, booking and customs declaration. • Mixed-load compatibility depends on destination compliance and physical loading checks.	This is a watermarked layout sample only. It does not certify a live lot, shipment, customs value, product conformity or container capacity. Final documents are issued against the confirmed order and inspected cargo.
